Supplies Needed:

- Cardstock
- Scissors

Directions:

Print the beginning sound mats on cardstock and laminate for durability.

Cut out the beginning sound mats.

Give one beginning sound mat to each child in your small group.

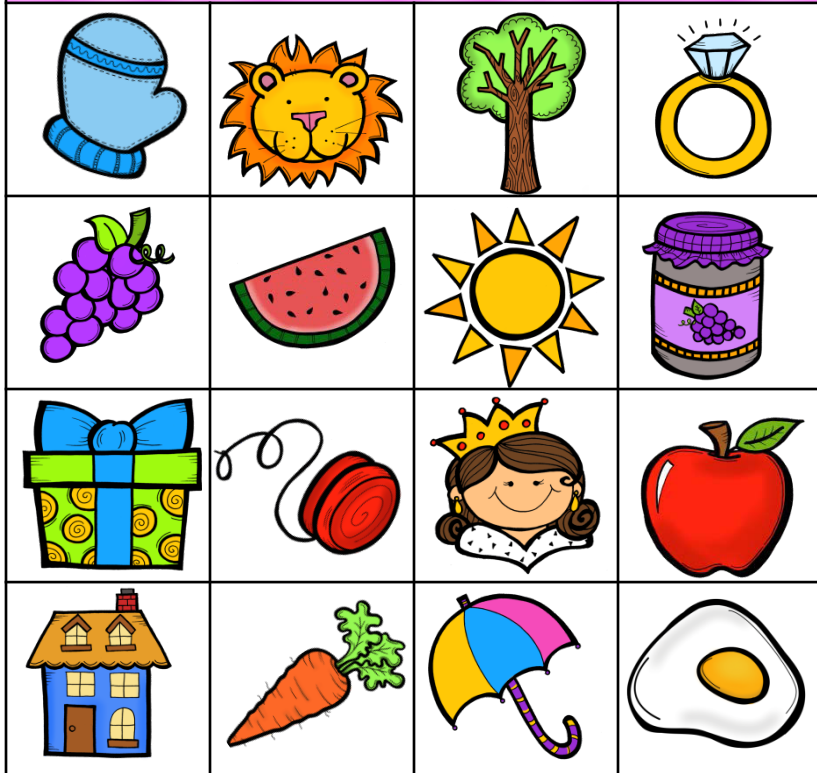

Place a container of alphabet hearts in the middle of the table.

First, review the pictures on the game mats with your small group to support vocabulary development.

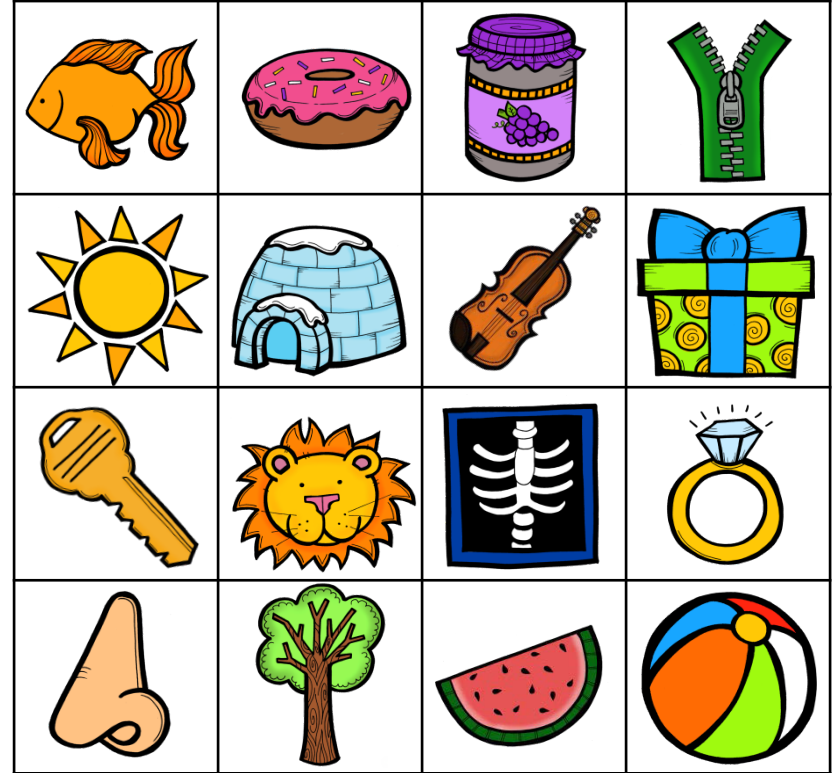

Next, model how to select a heart and match it to the correct picture on the game mat. You may need to model this process several times to ensure success.

Then, invite the children to practice playing the game independently while you observe.
