**Best Play Dough Recipe**

**Ingredients**
- 2 cups white flour
- ¼ cup cream of tartar
- ½ cup salt
- 2 tbsp vegetable oil
- 2 cups water
- food coloring

**Directions**
Mix dry ingredients together in a medium pot.

Add water, food coloring, and vegetable oil.

Cook and stir over medium heat three to five minutes.

When it begins to form a ball in the center of the pot, remove from heat and let cool in pot.

Store in an airtight container. Refrigerate for better shelf life when not in use.

You can also add scents to playdough such as peppermint and lavender if your students do not have allergies.
