The Fire Drill Song

(tune: "Farmer in the Dell")

The fire alarm sounds,
The fire alarm sounds,
Womp, womp, womp, womp,
The fire alarm sounds.

We line up at the door,
We line up at the door,
Womp, womp, womp, womp,
We line up at the door.

We all walk down the hall,
We all walk down the hall,
Womp, womp, womp, womp,
We all walk down the hall.

We walk without a sound,
We walk without a sound,
Womp, womp, womp, womp,
We walk without a sound.

We find our place outside,
We find our place outside,
Womp, womp, womp, womp,
We find our place outside.

The fire alarm sounds

We line up at the door

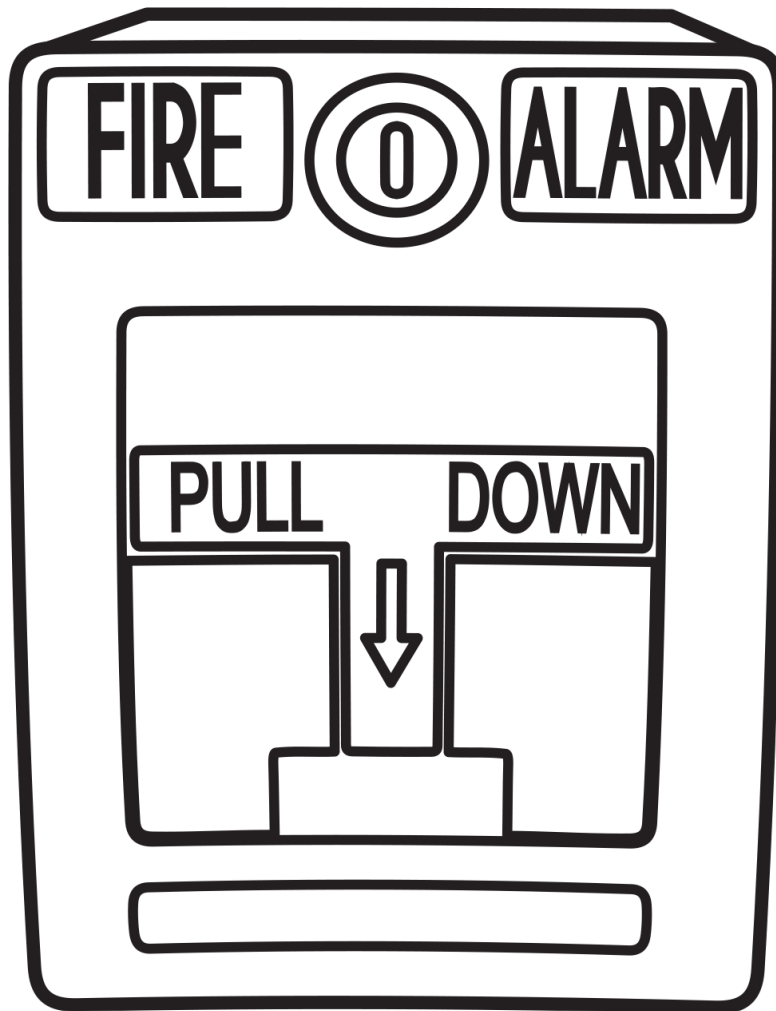

We all walk down the hall

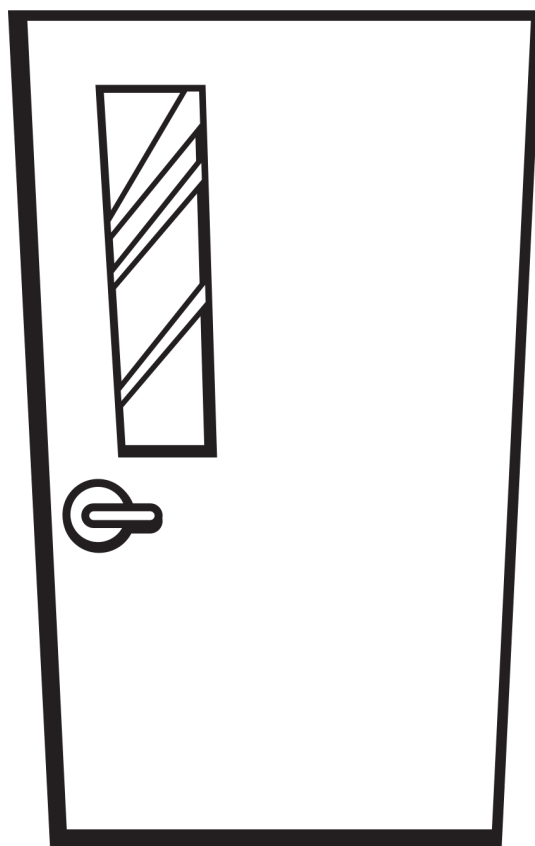

We walk without a sound

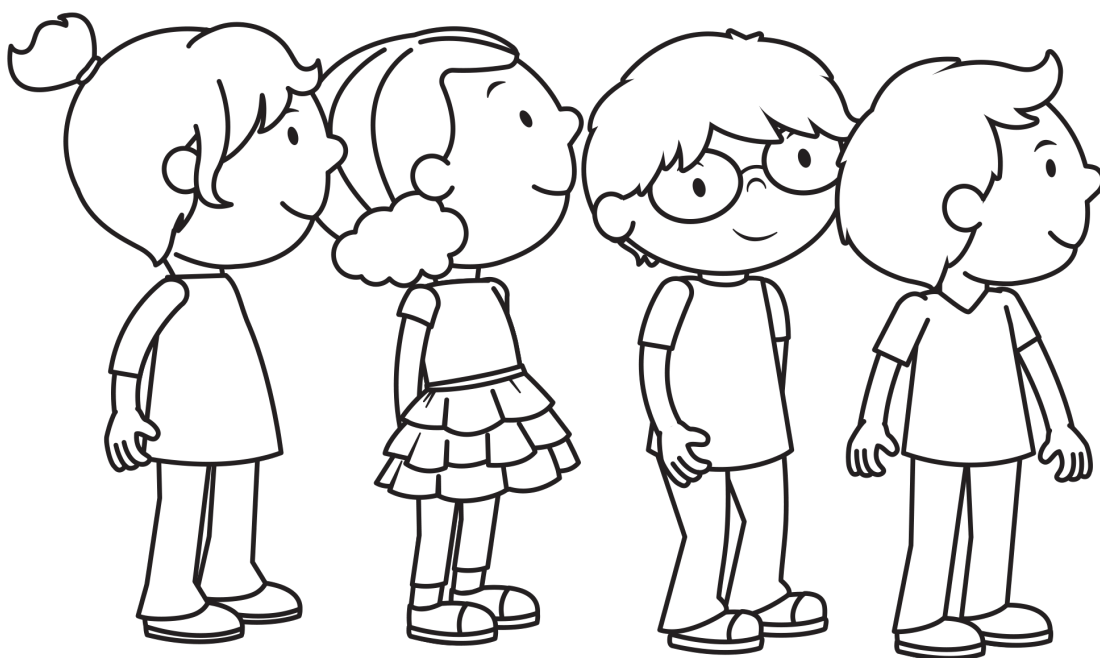

We find our place outside

The fire alarm sounds

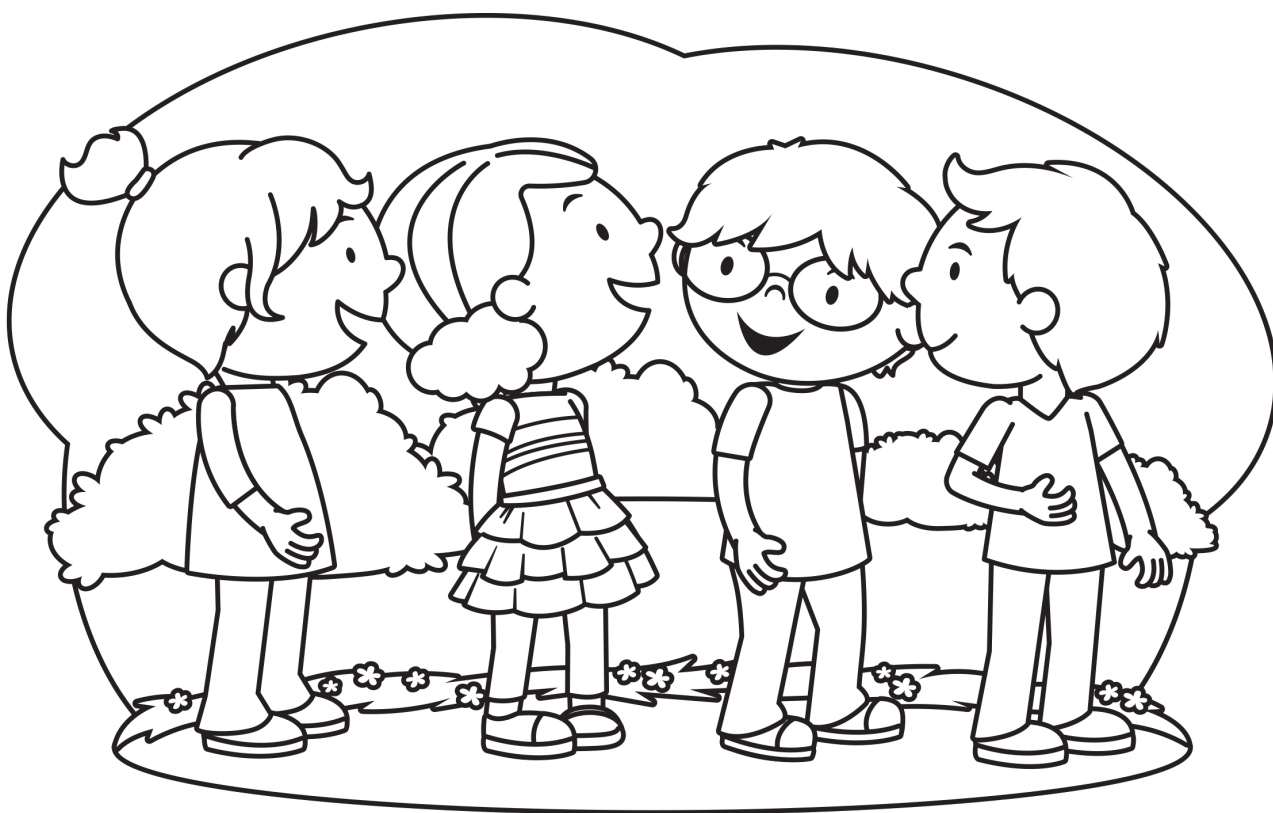

We line up at the door

We all walk down the hall

We walk without a sound

We find our place outside
