Instructions for Use

Setting: Teacher directed small group

Supplies Needed:

- Cardstock
- Scissors
- Laminator and Laminating Film
- Bingo Chips, Bingo Daubers, or Crayons

Directions:

Print the colored bingo mats on cardstock and laminate for durability. I have also included a black and white set if you prefer to save ink.

Cut out the bingo mats and calling cards with scissors. Give one bingo mat to each child in your small group.

Students can use bingo chips to mark spaces on the colored mats and crayons or bingo daubers on the black and white mats.

The teacher will select a card from the stack of calling cards and tell the children what to look for on their mats. Show the picture on the card to the students if necessary. Students will mark any matches on their mats with the bingo chips or similar.

The corn image in the middle of each mat is the free space. The first child to get one entire row covered shouts "Bingo!" OR they could shout "Gobble! Gobble!" for a Thanksgiving twist.
