

Print, Cut and Laminate (Optional) this page and the next page. They will be inserted in big dice cubes.

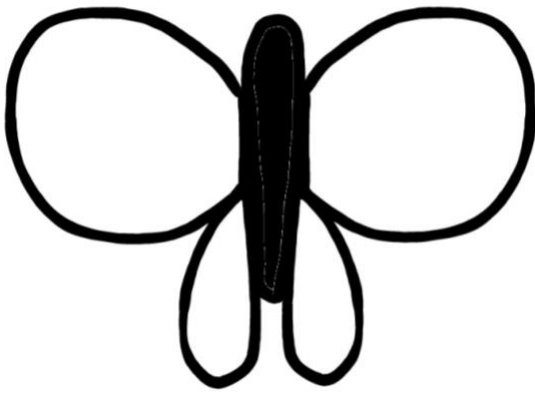

Antennae

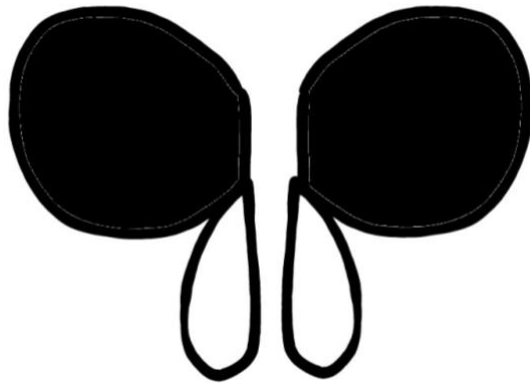

Forewings

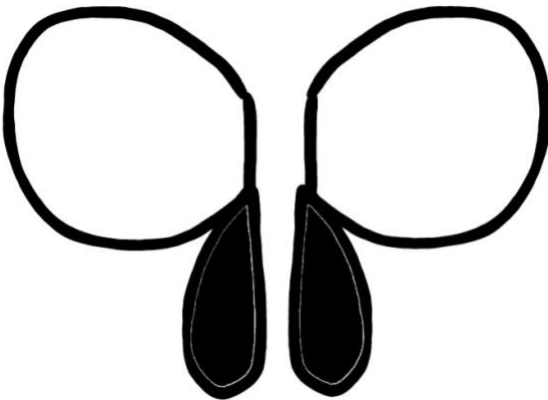

Body

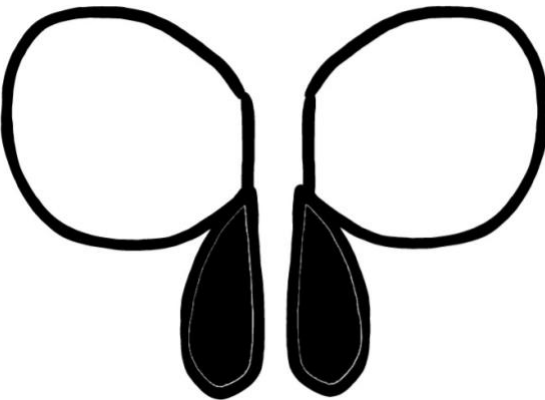

Forewings

Hindwings

Hindwings

Print several copies of these pages. The more children playing the game, the more of them you will need. Lamine them and cut the pieces apart – antennae, body, forewings and hindwings. These are the butterfly parts boys and girls will use to match and build their butterflies.
