

If you like this song, you'll love the [Winter Gear Visual Routine Bundle](#)! These visuals will help your preschool, pre-k, and kindergarten students learn the correct sequence for putting on their winter gear.

What's Included?

- Sequencing Strips (color + b/w)
- How to Zip Your Coat (color + b/w)
- Winter Gear Checklist (color + b/w)
- Posters (color + b/w)
- Parent Notes (color + b/w)
- Bulletin Board (color + b/w)

There are versions with and without snow pants as well as a version for mittens and another for gloves.

Ideas for Use

- **Sequence Strips:** Place the strips near your student cubbies, lockers, or hooks.
- **Posters:** Use the full-size pages to create posters.
- **Book:** Use the full-size pages to create a visual routine book.
- **Cards:** Print multiple posters to one page to create cards.
- **Bulletin Board:** Use the bulletin board posters to educate parents about the importance of putting on winter gear independently.

Put on Your Coat Song

Tune: Farmer in the Dell

Tag towards your toes,
Tag towards your toes,
Heigh-ho did you know?
Tag towards your toes!

Arms through the holes,
Arms through the holes,
Heigh-ho did you know?
Arms through the holes!

Flip over your head,
Flip over your head,
Heigh-ho did you know?
Flip over your head!
